A Message Concerning the PG&E Public Safety Power Shutoff

Our office may be affected by the PG&E Public Safety Power Shutoff. The duration of the shutoff could last up to 48 hours or more. If you are unable to reach your financial advisor, please try calling their cell phone. You can find a list below.

If you are unable to reach your advisor or have a time-sensitive request please contact our Home Office, Securian Financial, at 800-420-8205, option 1 for trading, or option 2 for service-related requests. Alternatively, you can contact the number listed on your statement.

We will be unable to receive or respond to emails during this power shutoff. However, we will be able to view and respond to any such emails once power is restored. We appreciate your patience during this situation. Look for updates on our website and our [Summit Facebook Page](#) once power has been restored.

Thank you,

The Summit Team
